I affirm that I agree with the standards and foundational principles put forth by **The Freedom Riders**. I agree that in addition to my love of riding, with God as our witness I will honor our Nations Constitution, while respecting all the rules of our organization's Constitution. I will do my best to make a difference in the lives of veterans both past and present that have signed on the dotted line and for their families. I pledge to respect each veteran that has chosen to dedicate their lives to defend our freedoms, to protect the Foundation of our Great Country, and to honor those that have laid down their lives, and for those still active. I commit to put value towards their sacrifice by riding in the name of God, Country, Family, and our Soldiers. By signing below, you are also acknowledging that the SOA has the right to run a limited background check per our constitution.

With each mile that we drive, let it add to the prayers and blessings that the rumble of our bikes will make in their name. I wish to add to my own family by riding alongside my brothers and sisters in **The Freedom Riders**. I agree to make strides to be there for others, and to show respect to other Patriots and citizens that I may see. I believe that the good I do, is returned 10-fold. As this organization grows, I agree to make a point of putting a commitment towards helping each new member along the way. We are many, and we will ride to support both the fallen, the families, and those on the front lines of our Freedom. I pledge to do my part and will treat each member like one of my own family. I am applying for membership because I believe in these causes.

I acknowledge this is an application for membership as a posse/jr. posse member.
