Odie then made an announcement in chat that Tuz was to move up to full patch membership from a posse member prior to this meeting.

The main agenda for this meeting, Election Day. Per constitution, elections are to be held every 4 years to re-elect the officers of the group. Changes were made in chat to consist of more than 3 lines per position to give a fair chance for anyone that wanted to

be a candidate to run for any position. There was a membership check list. For any member that accepted a ballot had to be checked off, so that the number of members total checked would match the number of ballots counted. There also was a Tally sheet made for when the ballots were being counted. Jeremy and Roselinda Taylor were the 3<sup>rd</sup> party present that is not affiliated with The Freedom Riders of Indiana, Chapter 4 to do the ballot counting.
